EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Eric Gayan on June 16, 2006.

The application has been amended as follows:

In the claims

Claim 20: lines 11-13 have been replaced with the following paragraph:

--wherein when an upward separation force is applied to said second end of said lever arm while said puller arm engages said second portion of said engine cover, said engine cover separates from said sealing surface of said engine--.

Claim 21: lines 11-13 have been replaced with the following paragraph:

-- wherein when an upward separation force is applied to said second end of said lever arm while said puller arm engages said second portion of said part of an engine, said part of an engine separates from said sealing surface with said remainder of an engine--.

Claim 22: line 13, --by applying an upward separating force to said second end of said lever arm-- has been inserted after "axis".
